INTRODUCTION

-

The complete globalization of Korean food is "Korean food made and eaten, not bought."

IC FOOD Co., Ltd. is a global food company that manufactures and sells seasoning and sauces using natural ingredients called yeast extract.

Founded in 1999, the company is making constant efforts to recreate natural taste and various kinds of Korean food that customers can easily make and eat.

Interest in Korean and natural food is steadily increasing from global consumers, and we will do our best to become a leading food company that makes healthy food products in the world and continues the happiness and prosperity of our customers.
